EXPERIENCE

Marketing Manager

2026 January – Present

TransferGo | Milano

- Own influencer and performance marketing strategy across priority international markets, managing six-figure budgets with full responsibility for revenue growth and CPA targets
- Built and scaled a referral growth program that delivers 20% of total customer activations while consuming only 1% of the marketing budget, making it one of the company's most cost-efficient acquisition channels.
- Define and scale influencer strategy, identifying high-impact growth opportunities and market expansion levers while negotiating partnerships and implementing attribution and tracking frameworks to optimize performance and ROI.
- Lead 360° paid media strategy across Meta and TikTok, aligning full-funnel campaigns with business and revenue objectives
- Drive creative and experimentation strategy (UGC, influencer content, A/B testing) to continuously improve performance and scalability
- Establish data-driven frameworks for attribution, reporting, and budget allocation to maximize ROI
- Leverage AI-powered tools and integrated data platforms to optimize decision-making and operational efficiency

Senior Marketing Specialist

2023 – 2025

TransferGo | Milano

Drove customer acquisition and revenue growth across key markets by managing 1,000+ influencers annually in collaboration with agencies and local teams

Led end-to-end campaign execution and optimization (sourcing, briefing, content, testing), helping scale influencer marketing into a performance-driven, CPA-focused channel

Marketing Specialist

2019 – 2023

Part Time | TransferGo | Milano

Completed my Master's degree while working part-time as a Marketing Specialist, executing data-driven, multi-channel campaigns (influencer, CRM, SEO, partnerships) to drive brand awareness, customer acquisition, and retention.
